

# Spark Collective

## What is the Spark Collective?

The Spark Collective is a giving community dedicated to addressing climate change by supporting EarthGen's action-oriented climate science programming. We're a network of people who believe in the power of youth to build a more sustainable world and want to amplify the impact of their personal donation through collective giving.

## Why join the Spark Collective?

By investing in EarthGen as a collective, your gift is amplified. The Spark Collective's combined gifts will enable EarthGen to make long-term, sustaining partnerships with school communities throughout Washington state, making sure that climate science is a critical part of education for years to come.

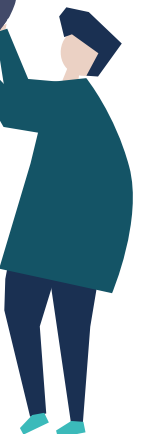

By making a **collective investment** in EarthGen, together, Spark Collective members help build students' power and agency to take environmental action.

Ready to join?

Learn more here or visit [www.earthgenwa.org/spark-collective](http://www.earthgenwa.org/spark-collective)

## Who should join?

Anyone who is passionate about addressing climate change should consider becoming a part of the Spark Collective! Together, we can ensure long-term partnerships with school communities across the state and build towards a more just and sustainable future for generations to come.

## What can I expect?

As a member, you'll have the option to learn, connect, volunteer, and act with EarthGen to uplift youth climate action throughout the year.

**Insider Updates:** Stay in the know with our quarterly Spark Collective newsletter packed with updates on our work, stories of impact, and exciting news in the field of climate education.

**Days of Service:** Roll up your sleeves and join us for a day of hands-on service, where you can directly contribute to our initiatives. At a Spark Collective Day of Service, members can come together to build or restore a school's garden.

**Community Gatherings:** Connect with passionate community members who are taking action for a better future. You can join other donors and funders, program experts, and fellow Spark Collective members at inclusive, relaxed, and fun events.
